About Me

Introducing, my name is Rafif Fadhil Dharmawan. I am an enthusiastic, responsible and passionate individual. I always try to give my best in every task. I believe that learning never stops, and I am ready to grow with a positive and challenging work environment.

Experience

I have no experience yet. But I am currently focusing on learning CSS and JavaScript frameworks.

My Personal Project

● Simple To Do List

I created it using only HTML, CSS, and JavaScript without any frameworks.

● Clock App

I created it with HTML, CSS, and JavaScript with several features, namely a stopwatch, timer, alarm, and world clock.
